Placer Repertory Theater is pleased to announce another exciting ***Collaboration LAB***, the FREE monthly open stage / open mic for arts, culture and humanities via Zoom, on September 24, 2020. Collaboration LAB is held the last Thursday of each month at 7 p.m. Participants register in advance via email (boxoffice@placerrep.org) for a performance slot to try out new material, share a new work, hone their skills, seek collaborators, market themselves or their group, and receive feedback. From actors, singer/songwriters and filmmakers, to stand-up comedians, writers, crafters and researchers, Placer County creatives come together to incubate new works and ideas in an open and supportive atmosphere. The line-up for September 24 includes Placer County locals, such as singer/songwriter Ryan Gerberding and Anne Merino, author of the novel *Hawkesmoor*, both from Rocklin, California, as well as a representative from the Arts Council of Placer County, the Placer/Tahoe Film Office, and the Foresthill Chamber of Commerce.

Nonparticipating audience members are welcome. To receive the Zoom link to the event, it is recommended audiences email Placer Rep 24 hours in advance of each event. Contact Placer Repertory Theater (boxoffice@PlacerRep.org) to reserve your seat and receive the Zoom link.

Placer Repertory Theater was all set in early 2020 to announce its inaugural season, starting with the new work, *My Jekyll & Hyde*, when worldwide health concerns emerged. Committed to serving Placer County, Placer Rep delivers its programs and events through digital recordings and livestream events until it is appropriate to once again present its offerings to live audiences. Contact Placer Rep to be added to their email list to receive information on their events and programs in a timely manner.

Placer Repertory Theater is a new professional performing arts nonprofit organization with the mission to offer educational and quality-of-life enriching professional performing arts and cultural programs relevant to the people of Placer County, while supporting local organizations and acting as an economic engine for the area.
