

The background features a gradient from dark purple at the top to dark blue at the bottom. It is overlaid with several semi-transparent circular elements, including concentric circles and dashed lines with arrows, suggesting a technical or scientific theme. A large circular scale is visible on the left side, with numerical markings from 140 to 260 in increments of 10. The text 'Pilot Program' is written in a white, sans-serif font, tilted at an angle.
